

# YP Mentorship Program 2020

*Would you like to mentor someone you can share your knowledge with? Are you looking to be coached by someone to exchange your ideas? Do you value networking? Are you interested in participating in a program that may benefit your personal growth and development, provide career guidance and goal achievement?*

In collaboration with the Swedish Business Council, Danish Business Council and Finnish Business Council, NBC is pleased to announce the launch of its **Mentorship Program 2020** for NBC members. The program will start in Q4 of 2020 and will run for six months

Through the Mentor Program, NBC UAE links ambitious young professionals with knowledgeable executives and entrepreneurs. Our mission is to promote a mutual exchange of ideas and experience between mentors and mentees. The program provides participants with personal career guidance, ideas, business training and networking opportunities to foster the relationships between the more experienced members and the young professionals. The goal is to create valuable synergies between mentors and mentees, where both can benefit from each other's experiences.

**Mentees**, which is a UAE Young Professional Member, will get a chance to learn from professionals who have extensive experience in their particular field of expertise. Where they can get professional support with their resume, tips on how to cope with challenges in the workplace, how to make the most out of their careers, as well as realizing business ideas and goals.

**Mentors** are UAE Members, and they will surely be amazed with new ideas and fresh ways of thinking, insights of potential recruits and, perhaps most important, the joy of seeing a mentee flourish, grows and succeeds.

The Mentor Program will benefit both parties in the fields of interest agreed upon by the mentor and the mentee.

If you are interested in participating in the program, please send your interest with a brief introduction about yourself and your contact information to [maria@nbcuae.org](mailto:maria@nbcuae.org). Please note that all applicants must be members of either NBC, SBC, DBC or FBC UAE, where the mentees are Young Professional members. The participation in the program is free of charge.

We hope that you will sign up as soon as possible - either as a mentee, mentor or both if applicable. We look forward to receiving your application!
